## Supporting businesses and their workforce in the UK

We understand financial health and budgeting can be challenging, so our dedicated team is on hand to support businesses and those who work for them. Below you will find a selection of some of our valuable options available to you as part of our service to you.

### LifeSkills

Our LifeSkills programme aims to help all people in the UK, from young people preparing for their first job, to individuals looking to progress their career, make changes to their working life or start their own business.

### Money Mentors

Money Mentors provide practical, impartial 1-2-1 help with a number of topics from basic budgeting and improving financial habits, to buying a home.

### Financial Wellness

Our seminars cover a wide range of topics, both face to face and virtually, explaining how a business' workforce can take control of their financial wellbeing, and where to go for help.

### Digital Wings

Our tutorials, videos, games and quizzes are all designed to boost your knowledge and sharpen your skills. Barclays Digital Wings can be a helpful tool to many businesses and their workforces, both large and small. If you are a business, you may wish to use Digital Wings as a learning and development tool for your employees.

### Coronavirus – we're here to help

Why not try the Money Advice Service information page, a dedicated support tool offering useful tips for those impacted, or just for general day to day helpful ideas?

### Mental health awareness

Take action to support yourself and your workforce. Try our mental health awareness course.

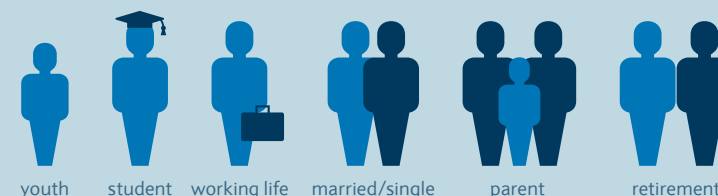

### Barclays Fraud & Scams hub
